21 SEP 1962

MEMORANDUM FOR: Assistant Director, OSA
SUBJECT: OXCART Coordination Meeting at NORAD

1. A coordination meeting is planned for 27 September 1962 at NORAD Headquarters for the purpose of final coordination of the OXCART test/training corridors to be flown within the ZI. This meeting is a "wrap up" of the action taken during the 18 September 1962 meeting held at Project Headquarters.

2. It is expected that this meeting will produce:

- a. Established corridors for OXCART test/training flights.
- b. Detailed coordination procedures for the use of these routes as required between NORAD [REDACTED]
- c. Review of NORAD instructions to field activities regarding security of OXCART observations.
- d. Review of FAA instructions to field activities regarding security of OXCART observations.

25X1A

2. Review and intermediate agreement on OXCART Alaskan corridor.

3. Attendance at this meeting will include Headquarters personnel from Operations Division, SAIL, AFCIG-5, [REDACTED] ADC.

25X1

Lt. Colonel USAF
Chief, Operations Division, OSA
